Jenga is a game of physical skill created by Leslie Scott, and currently marketed by Hasbro. Players take turns removing one block at a time from a tower constructed of 54 blocks. Each block removed is then placed on top of the tower, creating a progressively taller and more unstable structure.

Jenga - Wikipedia

The iFetch automatic ball launcher lets dogs play fetch to their heart's content! Once your dog places the miniature tennis ball into the top of the iFetch tennis ball machine, this interactive dog toy throws it 10, 20 or 30 feet.
