The Book Of Daniel (Illustrated) By Clarence Larkin

The ancient Romans used leather as currency, and the style and quality of a Romans sandals conveyed his status in society. When man realized the importance of recording his thoughts and knowledge in books which he could carry and store more conveniently than stone tablets, he began to express himself on parchment leather pages.

The harness makers' illustrated manual. A practical guide

Leather, of course, is the major input for the Leather Products Industry and, therefore, a knowledge or manufacture of different types of leather is a pre-requisite for undertaking products making.

Manual for Making Leather Goods - BCLT

Upon first hearing of illustrated Bibles, you'd be forgiven for assuming that these tomes were specifically directed at children. We tend to grow up with picture books, slowly work through a stage of books that contain fewer and fewer images, and eventually graduate to books that have little to no images to speak of. Which is a shame when you ...
