Heavy metal fashion is the style of dress, body modification, make-up, hairstyle, and so on, taken on by fans of heavy metal, or, as they are often called, metalheads or headbangers. While the style has changed from the 1970s to the 2010s, certain key elements have remained constant, such as black clothes, long hair and leather jackets.

The Fashion Techniques and Design program prepares graduates for careers in garment manufacturing design rooms. This is a women's wear program that simulates, as closely as possible, the industry's standards, practices and facilities. You will use industrial machines and learn the essentials of technical illustration, pattern making, pattern grading and clothing construction.
