Life on Mars is a British television series broadcast on BBC One between 9 January 2006 and 10 April 2007. The series combines elements of speculative fiction and police procedural, featuring a present-day police officer from the Greater Manchester Police (played by John Simm) who wakes up in 1973 after being involved in a road accident. The title is a reference to David Bowie's 1973 single ...

4 Directives then is twofold: first, to reaffirm the ethical standards of behavior in health care that flow from the Church's teaching about the dignity of the human person; second, to provide authoritative guidance on certain moral issues that face Catholic health care today.

Ethical and Religious Directives for Catholic Health Care

Americans are living longer than ever, but men still aren't living as long as women. The average life expectancy for men in the US is about 75 years; for women, it's more than 80. By taking better care of themselves, men can increase their odds of living healthier, longer lives.
