Early life. Hardin was born in New York City, but reared in Texas, after his family moved to the capital city of Austin when he was six months old. His father, an acoustical engineer, left the family four years later. As a growing boy, his grandmother, with whom he lived part of the time after his parents divorced, nicknamed him "Ty" because he was as active as a "Texas typhoon".

Internet First business-to-consumer Website. Ty was the first business to produce a business to consumer Website designed to engage their market. This is a major contributing factor to the early and rapidly growing popularity of Beanie Babies. By the time the first iteration of the Ty Web site was published in late 1995, only 1.4% of Americans were using the Internet.
