The Game of Life, also known simply as Life, is a board game originally created in 1860 by Milton Bradley, as The Checkered Game of Life. The Game of Life was America's first popular parlour game. The game simulates a person's travels through his or her life, from college to retirement, with jobs, marriage, and possible children along the way. Two to four or six players can participate in one game.

INTRODUCTION The Greeks had no single term to express what we mean by the word "life." They used two terms that, although traceable to a common etymological root, are semantically and morphologically distinct: zo?, which expressed the simple fact of living common to all living beings (animals, men, or gods), and bios, which indicated the form or way of living proper to an individual or a ...
