ORACLE AND HYPERION

the lurker at the pdf

In Internet culture, a lurker is typically a member of an online community or PLN who observes, but does not participate. The exact definition depends on context. Lurkers make up a large proportion of all users in online communities. Lurking allows users to learn the conventions of an online community before they participate, improving their socialization when they eventually de-lurk.

Bluebeam PDF for the last 9 years, here. I couldn't care any less about the file sizes, and the outputs look great. Sent from my Phablet. Please excuse typos... and bad ideas. What is the goal of the file size reduction? Is it to make it easier to send files to clients, or just to save space on the ...
