The mandola (US and Canada) or tenor mandola (Ireland and UK) is a fretted, stringed musical instrument. It is to the mandolin what the viola is to the violin: the four double courses of strings tuned in fifths to the same pitches as the viola (C-G-D-A low-to-high), a fifth lower than a mandolin. The mandola, although now rarer, is the ancestor of the mandolin, the name of which means simply ...

Carving the letters and numbers is very simple and can be done very quickly. Templates are mounted in the copy table; the sign material is centered and clamped by the material holding bars; the special tracing stylus is lowered into the template groove; then the carving bit is lowered into the material.

La mandoline est un instrument de musique à cordes pincées originaire d'Italie. Petit luth à manche court utilisé en musique classique, folklorique ou traditionnelle, elle est surtout répandue dans les pays méditerranéens. Elle est connue, par exemple, comme l'instrument d'accompagnement privilégié de la chanson napolitaine

A Picture of Nectar is the third studio album by the American rock band Phish. The album was released on February 18, 1992 by Elektra Records and was the band's debut release for a major record label.. The album is dedicated to Nector Rorris, the proprietor of Nectar's in Burlington, Vermont, where Phish played their first bar gig followed by a series of monthly three-night stands, saying that ...
