the many coloured land pdf

The term Coloured is also used in Namibia, to describe persons of mixed race, specifically part Khoisan, and part European. The Bastards of Namibia constitute a separate ethnic group that are sometimes considered a sub-group of the Coloured population of that country. Under South African rule, the policies and laws of apartheid were extended to what was then called South West Africa.

Coloureds - Wikipedia

ABSTRACT: Despite what many would construe as massive political and legislative transformation, many South Africans still inhabit what can be best described as a fragmented and discontinuous geographical and ideological landscape. A case in point is
