copied to the slave sensors. Reducing setting labor Minimizing risk of mistakes in setting Can copy to up to 10 switches simultaneously.

2-Color Display High-Precision Digital Pressure Switch

The terms top, bottom and switch are used to describe roles for the duration of a sometimes sexual act, or may be used more broadly as a psychological, social, and sexual identity, as well as indicating one's usual preference. The terms top, bottom and switch are also used in BDSM, with slightly different meanings. In both contexts, the terms top and bottom refer to dominant or submissive, or ...
