LGBT culture is a culture shared by lesbian, gay, bisexual, transgender, questioning, and queer individuals (and may also include lesser-known identities, such as pansexual). It is sometimes referred to as queer culture (indicating people who are queer), while the term gay culture may be used to mean "LGBT culture," or to refer specifically to homosexual male culture.

3 between culture and care. Second, the terms theories and models are often used in the same way but are different. Theories should predict and lead to discovery of unknown or vaguely known truths or interrelated phenomena, whereas models are mainly pictorial diagrams of some idea and are not theories as they usually fail to show predictive relationships.
